2027 Partnership Opportunities

Nurturing Student Success Through STEM Exposure and Practice

NSBE's Vision

We envision a world in which engineering is a mainstream word in homes and communities of color and all black students can envision themselves as engineers. In this world, Blacks exceed parity in entering engineering fields, earning degrees and succeeding professionally.

NSBE's Mission and Objectives

The Mission of the National Society of Black Engineers is "to increase the number of culturally responsible Black Engineers who excel academically, succeed professionally and positively impact the community." The National Society of Black Engineers strives to accomplish the following objectives for our organization:

- Stimulate and develop student interest in the various engineering and engineering-related disciplines.
- Increase the number of underrepresented minority students completing engineering and other STEM programs at both the undergraduate and graduate levels
- Encourage members to seek advanced degrees in engineering or related fields and to obtain professional engineering certifications
- Promote public awareness of engineering and the opportunities for Blacks and other minorities in that profession
- Function as a representative body on issues and developments that affect the careers of Black Engineers

About NSBE SEEK

The National Society of Black Engineers (NSBE) created the Summer Engineering Experience for Kids (NSBE SEEK) to inspire the next generation of innovators, problem-solvers, and engineers through immersive STEM education.

In 2026, NSBE SEEK proudly celebrates 20 years of impact — two decades of introducing thousands of elementary school students to the possibilities within science, technology, engineering, and mathematics (STEM).

NSBE SEEK is a free, three-week summer program that provides a fun, hands-on, and engaging educational experience for students in grades 3—5. Designed to expand access and opportunity, the program serves students from communities historically underrepresented in STEM — many of whom may not otherwise have access to high-quality STEM learning experiences.

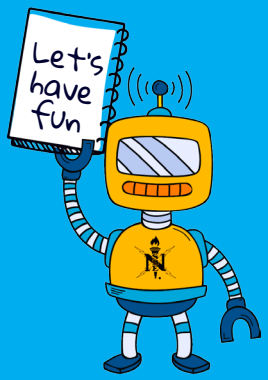

With a commitment to strengthening equity within the engineering pipeline, NSBE SEEK exposes students to engineering concepts early while helping build confidence, curiosity, and critical thinking skills. The program also integrates social justice in engineering, teaching participants how to identify and mitigate bias within the engineering design process (EDP) and understand the real-world impact of inclusive innovation.

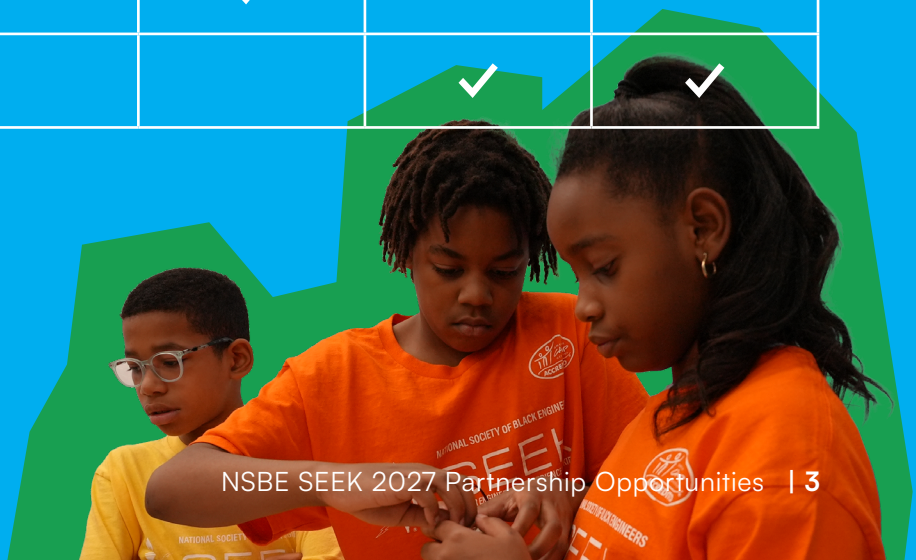

As NSBE SEEK marks its 20th anniversary, the program continues to build futures by empowering young students to see themselves as the engineers, technologists, and leaders of tomorrow.

NSBE SEEK Partnership Levels

The benefits listed in this partnership guide apply to the virtual and in-person components of NSBE SEEK.

NSBE SEEK Partner Benefits	National Partner $150,000 - $250,000	Presenting Partner $100,000 - $150,000	Anchoring Partner $50,000 - $100,000	Technology Partner $50,000
Recognition as NSBE SEEK Partner in print and digital media	✓	✓	✓	✓
Recognition as NSBE SEEK Partner on NSBE SEEK student T-shirt	✓	✓	✓	✓
Recognition as NSBE SEEK Partner during Pre-Collegiate Awards at NSBE's Annual Convention	✓	✓	✓	✓
Mentor and student engagement at NSBE SEEK Competition/Showcase Friday	✓	✓	✓	✓
Copy of NSBE SEEK Partnership Report	✓	✓	✓	✓
Access to NSBE SEEK mentors with option to host meeting/activity to recruit for internships	✓			
Posting of a pre-recorded message from a Partner executive on the NSBE SEEK landing page	✓			
Up to 30 volunteers total allotted for Competition/Showcase Friday (in-person and virtual)	✓			
Up to 20 volunteers total allotted for Competition/Showcase Friday (in-person and virtual)		✓		
Up to 15 volunteers total allotted for Competition/Showcase Friday (in-person and virtual)			✓	✓
Four (4) social media posts allotted on official NSBE SEEK pages	✓			
Three (3) social media posts allotted on official NSBE SEEK pages		✓		
Two (2) social media posts allotted on official NSBE SEEK pages			✓	✓

NSBE SEEK Partner Benefits

NSBE SEEK Partner Benefits	Food Partner $2,000 / week	Competition Prize Partner $5,000	Apparel/Swag Partner $20,000	Technology Partner (virtual) $20,000
Recognition as NSBE SEEK Partner in print and digital media	✓	✓	✓	✓
Recognition as NSBE SEEK Partner during Pre-Collegiate Awards at NSBE's Annual Convention	✓	✓	✓	✓
One (1) social media post allotted on official NSBE SEEK pages	✓	✓	✓	✓

2027 Partnership Commitment Form

Please send the completed form to NSBE SEEK Partnerships at partnerships@nsbe.org

Organization Name (List organization name as it should appear on marketing and other printed materials and on the NSBE SEEK website)

Primary Contact Name (This person will receive the confirmation and all correspondence regarding NSBE SEEK.)

Phone **Email** **Website**

Mailing Address **State** **ZIP**

Billing Contact Name (Person to receive the invoice, if different from the primary point of contact)

Billing Contact Phone **Billing Contact Email**

Commitment Amount **Multi-year Commitment?** (Indicate total per year: Max 3 years; Minimum 50k per year)

Method of Payment (Check one)

Select Payment Method: Please allow up to seven (7) business days to receive an invoice after submitting your commitment. If you require a method other than email to receive your invoice, please select the "Vendor Payment Portal" option below.

☐ **EFT** (Electronic Funds Transfer) ☐ **Check** ☐ **Credit Card** ☐ **Vendor Payment Portal**

Credit Card Number **CVV** **Exp. Date** **Billing Address**

Make checks payable to "National Society of Black Engineers". Send payments to 205 Daingerfield Road, Alexandria, VA 22314. Note on the memo line: "SEEK 2027"

Commitment Authorization

Name of Authorized Representative (Please print)

Signature **Date**

Special Invoice Instructions

This person must be authorized to sign on behalf of the partner organization. A signature on this application indicates understanding and agreement to comply with all policies, rules, regulations, terms, and conditions in this agreement and any others issued by NSBE; willingness to abide by the payment policy; and understanding that NSBE rules and regulations are an integral and binding part of this contract.

Payment Policy: The organization agrees to pay the agreed-upon partnership level as outlined above. Partner commitment forms must be submitted to NSBE World Headquarters (WHQ) on or before January 31, 2027. Invoices will be generated and sent to the billing and/or primary contact via email. Payment is requested within 30 days of receipt. Outstanding balances must be paid in full before March 1, 2027.

Cancellation Policy: Cancellations must be sent in writing to partnerships@nsbe.org and are subject to cancellation fees for incurred expenses. Organizations canceling partnerships on or before February 1, 2027, will receive a refund less a twenty percent (20%) cancellation fee. Refunds will not be issued for cancellations received after February 1, 2027, and the partnering organization will be responsible for the entire payment for the partnership.

Logos: Please email your partner form along with your organization's logo in full color and black-and-white versions, in EPS and/or PNG format, along with any graphic guidelines, to partnerships@nsbe.org. Logos may not have any animation. Logos will be used across a variety of NSBE SEEK marketing materials and branded assets and may appear on different colored backgrounds. To best accommodate the wide variety of proportions in partner logos, standardized sizes will be utilized to achieve visual weight equivalence between the different ratios.

Partnership Opportunities

Partnership Opportunity	Description	Price	Impact
Food Partner	As the Food Partner for our NSBE SEEK camp, your organization will play a crucial role in nourishing and energizing the bright young minds exploring the wonders of science, technology, engineering and math. Join us in making our camp a delicious success and inspiring the next generation of scientists and engineers!	$2,000/week	Your support will ensure that every meal and snack served is nutritious and delicious, keeping our young campers fueled and focused as they dive into exciting STEM activities and experiments. Impactful Visibility: Your logo will be displayed on camp merchandise and promotional materials, ensuring that your brand is recognized as a key supporter of our mission to inspire and educate the next generation of innovators. Enjoy the satisfaction of knowing that your contribution is helping to create a positive and memorable experience for young students, fueling their curiosity and passion for STEM.
Technology Partner (virtual camp)	As the Virtual Technology Partner, you'll be a vital part of shaping the virtual STEM camp experience, bringing cutting-edge technology to young explorers and helping them embark on an exciting journey of discovery and learning. Join us in powering the future of STEM education and inspiring the next generation of tech innovators!	$20,000	Digital Innovation: Your partnership will provide essential technology and tools that enable seamless virtual learning experiences, ensuring our young campers can engage fully with interactive STEM activities and experiments from the comfort of their homes. Help us deliver a dynamic and immersive camp by supporting advanced virtual platforms, interactive software and engaging digital resources that captivate and educate elementary students. Your logo and branding will be prominently featured across our virtual camp platform, including on introductory screens, activity dashboards and digital materials, showcasing your commitment to advancing education through technology. Know that your support is not just about technology—it's about igniting a passion for STEM in young learners and providing them with the tools they need to explore, innovate and dream big.
Apparel/Swag Partner	As the Apparel/Swag Partner, you'll be at the heart of creating a memorable and inspiring experience for young STEM enthusiasts. Join us in outfitting the future and celebrating the excitement of discovery with stylish and practical gear that will leave a lasting impression!	$20,000	Your support will provide campers with exciting, high-quality apparel and swag, including custom T-shirts, hats and other items emblazoned with camp and partner logos. Each item will be a badge of pride, reminding campers of their adventure and achievements at NSBE SEEK camp. Your logo will be prominently displayed on all apparel and swag, ensuring that your support is seen and appreciated by campers, their families and our community. This visibility will extend to camp photos, social media posts and promotional materials. Inspiring Confidence: Your support ensures that every camper not only participates in NSBE SEEK activities but also feels confident and excited about their learning journey, thanks to the cool and functional gear they receive.
Competition/ Prize Partner	As the Competition Prize Partner, your organization will help celebrate creativity, teamwork, and innovation by recognizing the outstanding achievements of our young STEM explorers. Join us in rewarding students for their hard work and inspiring them to continue dreaming big, solving problems and pursuing future careers in STEM.	$20,000	Your support will fund fantastic prizes for our NSBE SEEK competition winners. Each prize will be a testament to the campers' dedication and innovation, motivating them to push boundaries and excel. Your organization will be highlighted as the proud Competition Prize Partner in our camp materials, including even programs, announcements and social media posts. Your support will be acknowledged during the award ceremonies, ensuring your contribution is celebrated and appreciated. Enjoy the satisfaction of knowing that your support is making a real impact. You'll receive acknowledgment in our promotional materials, during event ceremonies and in the final camp report.

Partnership Opportunities

Partnership Opportunity	Description	Price	Impact
National Partner	As a National Partner, your organization will play a transformative role in expanding access to high-quality STEM education for students across the country. As one of NSBE SEEK's premier supporters, you will help inspire the next generation of engineers, innovators, and problem-solvers while strengthening the future STEM workforce. Join us in creating lasting opportunities that empower young minds and communities nationwide.	$150,000—$250,000	Your investment helps make NSBE SEEK possible in communities across the country, providing thousands of elementary students with free, hands-on engineering experiences that spark curiosity and build confidence in STEM. Your organization will receive premier recognition throughout the program, demonstrating your commitment to educational equity, workforce development, and community impact through national visibility across NSBE SEEK communications and events. Beyond recognition, your partnership creates a lasting legacy by helping diversify the engineering and STEM pipeline and preparing future innovators to solve tomorrow's greatest challenges.
Presenting Partner	As the Presenting Partner, your organization will help bring the NSBE SEEK experience to life by supporting immersive STEM programming that inspires students to imagine themselves as future engineers. Together, we will create unforgettable learning experiences that ignite curiosity, creativity, and confidence in every participant.	$100,000—$150,000	Your partnership directly supports engaging curriculum, engineering design challenges, and interactive learning experiences that encourage students to explore STEM in exciting and meaningful ways. Your organization will receive prominent recognition throughout NSBE SEEK programming and communications, highlighting your leadership in advancing educational opportunity and investing in the next generation of innovators. Your support demonstrates a meaningful commitment to building stronger communities while helping students develop the confidence and skills to pursue future STEM careers.
Anchoring Partner	As an Anchoring Partner, your organization will help strengthen NSBE SEEK's impact within local communities by supporting students where they live and learn. Your investment helps build sustainable STEM opportunities that inspire young learners while creating meaningful connections between education, industry, and community.	$50,000—$100,000	Your support expands access to hands-on engineering experiences that encourage students to develop problem-solving, collaboration, and critical thinking skills while increasing awareness of STEM careers. Your organization will be recognized as a valued community partner committed to advancing educational equity and empowering the next generation of engineers through strategic local investment. By anchoring NSBE SEEK in communities, your partnership helps create lasting relationships that strengthen local ecosystems and inspire future STEM leaders for years to come.
Technology Partner	As the Technology Partner, your organization will power the innovative tools, resources, and technology that make NSBE SEEK's hands-on engineering and STEM experiences possible. From digital learning platforms to classroom technology and resources, your partnership helps students explore, create, and innovate with confidence.	$50,000	Your investment provides the technology and equipment needed to deliver engaging, high-quality STEM learning experiences that prepare students for an increasingly technology-driven world. Your organization will be recognized as a champion of innovation, with visibility throughout NSBE SEEK communications and programming that showcases your commitment to expanding access to STEM education. Your support helps ensure that every student has the opportunity to discover engineering through modern tools and hands-on experiences that inspire creativity.
